122nd YEAR, NO. 22

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

WEDNESDAY, JANUARY 15, 1969

Lieutenant F. S. Kingsford was named "Citizen of the Year" 1968 at the Lions Club regular meeting held in the Streetsville United Church on Thursday, January 9. Don Fogg presented Fred with the plaque honouring him for his leadership as Commanding Officer of the R.C.S.C.C. Haida Sea Cadets in Streetsville. Photo by AL BETTS

OMHA ALL-STAR NIGHT THIS SATURDAY

Streetsville Arena hosts the OMHA ALL STAR NIGHT 5 - 11 p.m. this Saturday. Ticket sales indicate a gala evening for the OMHA players. Each SMHA hockey player, being the sellers of the tickets, is eligible for the Grand Prize of one week at Tam O'Shanter Hockey School, 5 Hockey Sticks from Arena Sports, 1 Hockey Stick from Bailey's Hardware, 1 Motoristic Car from Streetsville Pharmacy and 2 NHL Tickets to Maple Leaf Gardens compliments of Jim Gray.

For the purchasers of the tickets, prizes include 2 NHL Tickets, compliments again of Jim Gray. 2 Jr. C Hockey Tickets, 10 Chickens from Maple Lodge Farms, 2 five dollars Vouchers of Gasoline, compliments of Crawford's Shell Centre, 1 Hair Styling from Country Squire, and 1 handsome Men's Wallet from Eric Ladner Clothes.

A special added attraction has the Tube Bender Paperweight All Star Team under James Gray playing an exhibition game at 5 p.m. to start the evening off. The Thunderbird Novices at 6 p.m.; IGA Peewees at

7 p.m.; Hutt Fence Bantams at 8 p.m.; Juvenile Derbys at 9 p.m. and Maple Lodge Midgets at 10 p.m. Hespeler and Bolton will be the opposition. SEE ALL STAR HOCKEY AT ITS BEST.

In last week's action the IGA Peewees gained two points by virtue of two ties against Hespeler and Georgetown. Dave Baldwin, Dennis Chadala and Dan Crawford scored the goals.

The Thunderbirds registered their 8th victory of the campaign in a 3-0 shutout over Georgetown. Paul Cooper scored the hat trick. Hespeler edged the T-Birds 2-1 Friday evening.

Hutt Fence Bantams scored a 2-2 tie in Hespeler with goals by Robert Chadala and Doug Cove. Georgetown dumped the Hutt Fence Club 4-0. The Maple Lodge Midgets were bombed 8-0 by Georgetown and 2-0 by Chinguacousy.

The Juvenile Derbys lost 6-2 against Bramalea as Glen MacPherson and Johnny Crawford scored in a losing cause.

LT. F. S. KINGSFORD CITIZEN OF YEAR

Lt. F. S. Kingsford, 33 Theodore Drive, Streetsville, was proclaimed at the regular meeting of the Streetsville Lions, held Thursday January 9 as the Citizen of the Year for 1968. Lt. Kingsford is Commander of the Sea Cadets in Streetsville, RCSCC Haida.

Guests attending the meeting were L.C.D.R. Joe Jeffreys C.D.R.C.N. retired of Toronto and Lt. George Kelly of Hillside Drive, Streetsville. Lt. Commander Joe Jeffreys (Deputy Provincial Secretary for the Ontario Division of the Navy League of Canada) who not only is associated with, but a personal friend of Lt. Kingsford, spoke on the background of the Citizen of the Year. He said "Lt. Kingsford is devoted and sincere towards his duties as Commander of the Sea Cadets in Streetsville."

Lion Don Fogg presented Lt. Kingsford with a plaque with the following words inscribed "Streetsville Lions Club 1968 Citizen of the Year Award Lieutenant F. S. Kingsford RCSCC Haida."

Municipal Affairs Minister Darcy McKeough has exercised his "ministerial prerogative" and has changed his mind.

When a committee from Peel County Council met with Mr. McKeough at Queen's Park on December 11 - the Minister said "he would like to attend the Peel County Council meeting in Brampton on January 22 at 1.30 p.m. - presumably to discuss Regional Government proposals."

Now - the Minister has summoned all members of all municipal councils in Peel and Halton Counties to present themselves at Queen's Park at 2 p.m. on Wednesday, January 22 where, in the Minister's words -- "the purpose of this meeting will be to discuss and to leave with you, a few tentative and preliminary proposals for the re-organization of local government in the Peel-Halton region."

Most political officionados are currently playing guessing games, in an attempt to "second-guess" what sweeping changes the Minister will recommend for local government in the Peel-Halton Region.

ALL-STAR NIGHT TEAM PICTURES INSIDE

Plan Spring Euchre

The Community Club held its January meeting at the home of Mrs. Will Leslie on Wednesday evening, January 8.

President Mrs. J. D. Cordingley was in the chair as 21 members answered the Roll Call. A Spring Euchre is planned for Thursday evening April 17 in Trinity Hall.

Used stamps were handed in for the Leper Colony.

Mrs. Ellison Ball read "The Origin of the Pete Bank" to save pennies for lepers.

Used clothes were turned in for donations to patients at a psychiatric hospital.

After the business part of the meeting, Mrs. Cliff May read an article on the history of the T. Eaton store in the past 100 years.

Mrs. A. May read a humorous piece entitled "House hunting" after which lunch was served by the hostess.

The next meeting will be February 12 at the home of Mrs. Morice Williamson.

Week of Prayer

The Inter-Church Council of Streetsville, an organization in which all the Churches of the town are represented, in most cases by both clergy and lay people, will observe jointly the Week of Prayer for Christian Unity, January 19 to 25. Three special services have been planned.

Wednesday, January 22 at 2.30 p.m. - Trinity Anglican Church - with Rev. L. McKenna.

Friday, January 24 at 8.00 p.m. - St. Andrew's Presbyterian Church with Rev. David Busby.

Sunday, January 26 at 7.30 p.m. - St. Joseph's Roman Catholic Church - with Rev. G. Keith McMillan.

19 yr. old dies

JONES, Russell Charles C. Creditview Road. Suddenly at Streetsville on Sunday, January 12 in his 19th year. Son of Fred and Betty Jones. Brother of Morris of Port Stanley, and Patricia (Mrs. L. Eckensviller) of New Liskeard, and Donald, Barbara and William at home.

Resting at Lee Funeral Home. Funeral on Wednesday at 2 p.m. in Trinity Anglican Church with interment in Trinity Anglican Cemetery.

Paper drive

January 18, Saturday morning 9-12 the 1st Streetsville Cubs, Scouts and Venturers are having a Paper Drive. Have your papers and magazines bundled. Offers of trucks for pick up would be gladly accepted. Please telephone Mrs. Soroka at 826-1268.

Beware of the 'Ides of D'Arcy'

EDITOR'S NOTE:

We say "sweeping changes" primarily because the meeting is on a Wednesday - a day when the Provincial Government, generally, makes profound statements pertaining to this area -- and one day too late for local weekly newspapers.

From various statements attributed to the Minister of Municipal Affairs, it is possible to do a little speculating on what he 'may' propose.

President Jack Montgomery, (1960-61), helped form a committee towards making the first Citizen of the Year Award. This being for the year 1960.

In a speech to the Oshawa Rotary Club the other day, he appeared to indicate that Peel and Halton Counties would become one municipal region - and that the change-over date would be "early in 1970". A recent paper issued by the Minister indicated that some existing municipalities would be wiped out as the municipal card deck gets reshuffled. He said "I suggest that the minimum population of local municipalities in a region should be 8,000 to 10,000."

3 More of the "Big Ten"

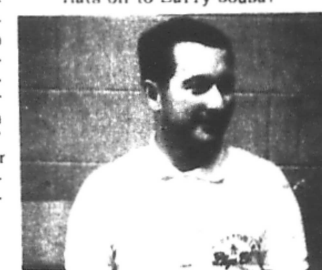

Here is the Review's second group of three men we believe rate recognition in the "big ten" of men most responsible for Streetsville's wholesome and varied sports programs in 1968. Next week, watch for our third group of three, then we want you, the readers, to complete the "big ten" by contacting us with your nomination of anyone else you think belongs in this company.

LARRY SOUSA

The man most responsible for the coming of soccer to Streetsville is a man of many talents. Larry Sousa's enthusiasm is contagious and he seems to be able to organize just about anything he chooses and always is able to enlist a co-operative following. If there were a mayor for the Streetsville Portuguese people, this man would win the election easily. His formation of the Lusitania Club and the exhibition soccer games he arranged at the Streetsville park turned out to be one of the biggest local success stories of 1968. Overcoming difficulties that would have discouraged a man of less stature, Larry Sousa persevered until he had established in our community an activity that has met a need among many Streetsville sports fans. His leadership with the Lusitanians also was an inspiration to others to organize soccer teams for younger boys in Streetsville in 1968.

Hats off to Larry Sousa!

CLIFF ARMSTRONG

Cliff Armstrong never played lacrosse himself but he got interested in the game while watching his nephews play. In fact he became so enthusiastic about the game that he envisioned a summer program of lacrosse that would include many more boys than were already involved with a few local teams. He helped sell his program to the Kinsmen Club and the outcome was Streetsville's first lacrosse house league - begun in the summer of 1968. The successful operation won many new lacrosse fans and provided an invigorating and interesting summer activity for 75 Streetsville boys. The Kinsmen program also included the Mississauga Lacrosse Association teams which encompassed an equal number of other boys. The Kinsmen, and this man in particular, lived, ate and slept boys' lacrosse for about four months in 1968. He was also involved in several other Kinsmen-sponsored community activities in 1968.

Hats off to Cliff Armstrong!

All-Star Night

The sale of tickets for the Special OMHA ALL STAR NIGHT under the direction of Wes Robinson has been most successful. In addition to the seven donors of prizes last week the Maple Lodge Farm organization has given 10 chickens and the Hore Bros. operators of the Arena Sports Shop at Streetsville Arena, have provided 5 superb hockey sticks and rolls of tape. To these people and the supporting public the appreciation will be shown in the calibre of hockey come Saturday, January 18 starting at 5 p.m.

Boundary survey

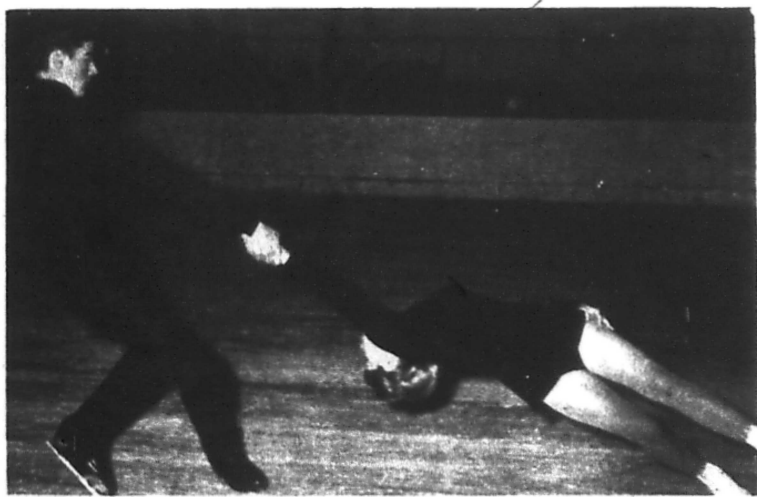

Don't forget the Public Meeting pertaining to the Boundary Survey. It's (tonight) Wednesday, January 15 in Streetsville Secondary School.

JOHN TUTTY

Some of the best coaching in town is done over at the high school but why not? this is the coach's job and he has to know how. But John Tutty is a man who not only did his job at the school well in 1968 but also found time to contribute to community sports and to the building of character in many of Streetsville's youth. This man will not let a boy play on his team who is a deliberate dirty player or cheat. Some may argue that it is hard to win championships like this but here is a coach who has done all right insisting on the sportsmanlike approach. His football team did well in 1968 despite the disadvantage of a school population of half the other schools. Now it looks like his senior basketball team will be a credit to Streetsville High. John also helped coach the town's juvenile baseball team last summer and found time to make many contributions of his time to Scouting in Streetsville in 1968.

Hats off to John Tutty!

NEXT WEEK:
Three others who belong.

CHAMPIONS

Practice makes perfect, and perfect it was on Saturday, January 11 when Linda Teeker and Allan Carson, both of Streetsville, won the Crispo Trophy in Aurora for the Junior Mixed Pair Central Ontario Sectional Championships. With the form displayed in the photographs, the judges choice of the Streetsville couple appears to be well founded.

SAFETY FIRST

Are you one of the people who boast that they've driven for years without an accident? Don't depend on your record too much. It's present actions that count. Keep your driving skills up to date, and follow safety precautions; then you can maintain your accident-free record.

CAMP FIRE RULES - To prevent forest fire, build a camp fire only on rock, sand or bare soil where it is protected against the wind and where it cannot spread in grass or fallen leaves. Keep it small. Make sure it is out. Drown it out before you break camp.

LIFE MEMBERSHIPS AWARDED

The December meeting of the Streetsville Women's Institute was held in the Library. Two guests, Mrs. Colpitts and Mrs. Noble were introduced. Arrangements for a lucky luncheon to be held in the spring were discussed and it was decided to make cookies for distribution to the nursing homes of Streetsville at Easter. Instead of Christmas. The Fruit and Flower Committee report was given by Mrs. A. Workman. Mrs. L. Huston, Historical Research convenor, was in charge of the program. The roll call was answered by bringing an old button and telling its history. The programme "Streetsville's early Railways" was very ably taken by Mrs. B. Maas. Mrs. H. Wright spoke on the Motto "She who forgets the past loses the key to the future." The remainder of the meeting took the form of a surprise party in honour of five valued life members, namely, Mrs.

H. I. Burns, Mrs. A. Bruce, Mrs. R. Laingmald, Mrs. V. Johnson and Mrs. L. Huston. These ladies were presented with corsages.

Mrs. E. Welland gave a very interesting and amusing talk going back as far as 1905 with the highlights of the Institute meetings in the early years and it was learned how these ladies had worked and kept the Institute intact.

A delicious Christmas luncheon was served by Mrs. Spear, Mrs. Maas, Mrs. Wright, Mrs. Huston and Miss M. Collis. The January meeting will be held in the United Church.

Registration

Registrations last September for programmes offered by the Mississauga Recreation and Parks Department produced record enrolments.

At Allan A. Martin Community School, a pilot project which started in November of 1967, 456 adults and youngsters registered. In addition, many other programmes were offered on a casual basis, (roller skating, story hour).

Town-wide programmes attracted 1,006 while those registered activities at Huron Park saw 1,906 children and adults participate. The latter figure does not include public swimming or ice skating nor does it include handball, squash, exercise classes or other programmes conducted on a casual basis. Other Huron Park programmes are Learn-to-Swim (1642), lifesaving (84), Grade 4 Learn-to-Swim (900), scuba diving (46) and competitive swim club (100).

Activities offered by area committees working with Recreation and Parks Staff attracted 1,232 people. Registrations for each area are in brackets: Burnhamthorpe-Dixie (288), Clarkson (149), Erin-dale (127), Lorne Park (180), Malton (352) and Meadowvale (136).

The Mississauga Hockey League sponsored by the Department, includes about 3,500 boys on more than 200 teams this season.

Total number of registered persons was 10,872 in some 150 different programmes offered by the Recreation and Parks Department last fall.

Could alleviate parking problems

In a report to Council Monday night, the Central Core Area Parking Committee stated that, in its opinion Council should take steps to purchase certain lands in town to alleviate parking problems in the down-town area.

The properties suggested by the Committee are:

1. Mr. Fish's property on the southerly side of Pearl Street.
2. Portions of the properties owned by Messrs. Hand, Bailey and Casser fronting on Queen Street.

Acquisition of these lands will create an area of publicly owned land from Pearl Street to Thomas Street at the rear of the Queen Street properties.

The first phase, the Committee suggested, is the acquisition of the Fish property which, properly drained, paved and lighted would provide 18 parking spaces. The rest of the land suggested would provide 46 additional parking spaces. The Committee also suggested ac-

quiring the Bauman property on the northerly side of Thomas Street. This would provide 24 additional parking spaces.

The Committee estimates that costs of said lands are as follows: Fish - \$20,000; Hand, Bailey and Casser - \$10,000; Bauman - \$27,500.

Town engineers have estimated that the approximate total cost of grading, excavating, drainage, paving, marking and lighting for the proposed lands would be \$27,000. The cost of acquisition and improvement of the properties is approximately \$85,000. It would result in a levy of approximately one mill in the Central Core area and one-tenth of a mill in the balance of the Town.

Attends Conference

This past week, Dr. G. Keith Mc Millan, Streetsville United Church, was a delegate, representing the United Church of Canada, at the meeting of the North American Alliance of Reformed Churches in Ocean City.

PAPER DRIVE

The 1st Streetsville Cub, Scout and Venturer Group will hold a Paper Drive on Saturday, January 18 starting at 9 a.m.

Please put your tied, bundles of papers out for the boys to collect.

This drive will be held every second month - so save your papers. For information call 826-1268.

Annual Meeting

The Congregational Dinner and Annual Meeting at Streetsville United Church will take place on January 29, with a Pot Luck Supper at 7 p.m. and the business meeting at 8.15 p.m.

CHAMBER EXPRESSES CONCERN

Proposed legislation in the current federal budget, through a sharp increase in gift and estate tax, makes it much more difficult to accumulate the needed reservoirs of capital in Canada and will have an impact on many more Canadian families.

expressed serious concern that the current budget, far from eliminating estate tax, sharply increases the rates of combined estate and gift taxes over those now in force.

This statement was made recently by the executive council of The Canadian Chamber of Commerce in a brief to Finance Minister Edgar Benson, which

least revert to the rates now in existence on the passage of capital from one generation to the next.

Lionel P. Kent, Chair-

man of the Chamber's executive Council, told Mr. Benson that the widespread criticism of the radical changes in estate and gift taxes is considered well-founded by the Canadian Chamber.

He said such criticism stems not only from the fiscal and social effects of the proposed amendments, but also from the fact that there apparently had been no co-operation between the federal and provincial legislation in this field.

Safe Driving Tips from The O.P.P.

The shoulders of the weatherman carry a heavy burden each winter.

Too often this fictitious snow-maker, storm-starter, or sleet-setter, is blamed for traffic accidents that occur on streets or highways. It is not uncommon for someone to blame a severe rear-end collision on the two inches of snow on the highway, or to pin the cause of an accident on had visibility, from falling snow.

Although these conditions do make driving hazardous, quite often it is the failure of the driver to adjust his driving to the weather conditions that causes accidents. Reduced speeds, doubled distances between vehicles, or the use of snow tires or studded tires could eliminate that rear end collision so often blamed on that fresh fallen snow, and a new set of blades on the windshield wipers could increase visibility for a driver caught in a snow fall.

It is up to each driver to adjust his driving techniques to fit the conditions and always be on the alert to avoid accidents. Here are some basic rules for winter driving.

1. Start Gently. On packed snow or ice, start gently and gradually. In a car with manual shift, use second gear. Turn wheels straight ahead to ease starting.

2. See and be Seen. Keep windows and windshields free of snow, ice and slush. Turn on headlights during daytime snowstorms to help others see you. Falling snow reduces visibility and snowbanks can conceal driveways, intersections, pedestrians and other vehicles.

3. Get the Feel of the Road. Keep a check on the surface of the road testing it for slipperiness. Using a single brake application, find out how easily the wheels will slide.

4. Follow at a Safe Distance. Keep well back of the vehicle ahead so that you will have plenty of room to stop. Drive at slower than normal speeds. It takes three to twelve times more distance to stop on snow and ice than on dry pavement.

5. Brake Before Turns. Anticipate braking situations and start slowing down well before you reach a turn, an intersection or the crest of a hill.

6. Pump your Brakes When Stopping. Pump your brakes to prevent the wheels from locking and skidding on ice or slippery snow. Pumping is a quick application of the brakes followed immediately by a full release. This gives alternate intervals of maximum braking effect and steering control while the wheels are rolling.

Every Chevrolet has to make it before we mark it.

No clowns. No hoopla. No funny hats.

This is an event for the serious car buyer. The man who has X number of dollars to spend and is determined to get his money's worth and maybe more. Come to a Chevrolet Showroom during our Value Showdown.

Come in and spend some time. Dig, probe, ask questions, take notes.

You owe it to yourself to be thorough. Go for a drive.

Get a free sample of Chevrolet's luxurious full-coil, cushioned ride. Shut the windows and see how fresh the interior stays, thanks to Astro Ventilation. Feel the kick of the big standard V8.

And do this: Ask the man to show you, on paper, how you can

order a 1969 Chevrolet with a big V8, power disc brakes and automatic transmission for less than you could last year.

If you're a serious car buyer, Chevrolet's Value Showdown is for you. We think you'll buy a Chevy. More people do, you know.

M.P. busy — learning French

Hyland Chappell who has often been referred to as the "MP who never sleeps" has just returned from a well-earned vacation in Nassau.

"I slept 10 1/2 hours a day," he claims.

Mr. Chappell will be back at work this week, not in the capacity of MP entirely, but as a lawyer, trying his first case at the new Court House in Toronto. His client is a constituent of Mississauga and the

case deals with subjects under the New Provincial Expropriations Act which came into effect December 20. Chappell can't wait to get back to Ottawa. "I spend my happiest hour there twice a week..... taking French lessons!"

SNOWBALL ROMP, JANUARY 24

It's going to be quite a night in Mississauga, Friday January 24, when the Polish Alliance of this Town present their annual Snowball Romp. While it may not be as big as the Liberal nomination meeting it will be just as fun-filled and exciting as that. The action will take place at the Port Credit Legion Hall on Friday evening January 24 and the highlights of the evening will include several dance numbers performed by the Bialy Orzel (White Eagle) dance group who have won national fame for their creative and impressive Polish folk dancing. But they won't always be dancing alone. Included in their program around 9.15 p.m. will be

the Polonaise. The dance group will complete their dance and then they will break away to the guests and invite them to join in the Polonaise followed by popular numbers. One table they won't miss will be the special guest table, which will be filled with our Provincial and Federal government representatives, and other special guests.

At intermission, the dance group will perform several other dances and Miss Joanne Karcz of Mississauga, who last May became Miss Polonia of Canada, will be on hand to welcome everyone. As mentioned before, it's going to be quite an evening. This dance starts at 8.30 p.m. and continues until 1 a.m. EVERYONE is welcome.

S.P.Y.L. want 'more voice'

Last weekend Metro Young Liberals held a Conference at which they discussed the policy of voting themselves out of existence. If their vote is approved by the Senior Association, later this month, and if all Young Liberal groups take similar votes, these Associations will cease to exist.

Jim Appleby, newly elected President of Peel South Young Liberals' Association, told the Review that, if their Association approves this, they might lose their identity. "Right now we want better co-operation between the two (Senior and Junior) groups. We don't have too much say on Liberal policies."

He would like to have the Association lower the age limit for members, and to have separate Junior and Senior groups "devoted co-

operation between the two to have our voices heard."

"We have to prepare ourselves to, one day, follow in the footsteps of our Senior Group, and the only way we can acquire the experience is to become more involved in politics now. We shall be discussing this, and other matters, at our March meeting."

Public Speaking Contest Jan. 29

Walk into any Grade 7 or 8 classroom at St. Thomas More school and you will hear a number of young people rehearsing their speeches for the forthcoming Public Speaking Contest co-sponsored by St. Patrick's and St. Alfred's Catholic Women's League.

The contest is an annual event and is open to Grades 7 and 8 pupils. The dozen final contestants are preparing speeches which will be anywhere from 5 to 7 minutes in length on given topics. Politics

and Religion subjects are not permitted. Following the speeches there will be one minute impromptu speeches which will enable the three judges to make their final choice.

The big day for these pupils will be Wednesday, January 29 at 7.30 p.m. at St. Thomas More School, Tomken Road.

Refreshments will be served following the contest, and everyone is welcome.

You Gotta Have Heart

February is Heart Month.

Each year, thousands of volunteers across the country make their way up and down the streets to raise funds for the Heart Foundation.

The money they collect is distributed to various branches to be used primarily for research and equipment. Diseases of the heart are the nation's No. 1 killers.

"Heart Sunday" is a special day set aside for the thousands of volunteers to canvass their areas. It is the first time that Mississauga will join in the annual event. Prior to this year, Mississauga canvassers spent considerable time (a week perhaps) to complete this work. Captains and canvassers are urgently required. If you are interested, please contact Mrs. Evans at 278-2974.

R.C. Board Sets Up "Ad-hoc" Committees

At their January meeting held at the School Board Offices, recently, the Dufferin-Peel R.C. School Board spent most of the time setting up "ad hoc" committees to study the insurance situation and the Grades 9 and 10 in Catholic High Schools. "Ad hoc" committees are those which are established on a temporary basis. Once a project has been completed, that committee ceases to exist.

The members of the newly elected board, welcomed back Mr. T. O'Dwyer who, as you remember, was hospitalized during the election, but was elected.

A change in meeting days also was effected. The group will now meet on the third Tuesday of each month at the Board office.

On Saturday, January 18, Mr. E. LeMay, chairman, and Mr. J. Huggell will attend a religious seminar at the Royal York Hotel in Toronto.

The Board's next meeting will be held on Tuesday, January 28.

JANUARY 11 TO 18 JAYCEE WEEK

A volunteer organization which calls itself the Mississauga Junior Chamber of Commerce (Jaycees for short) and which dedicates itself to training you men in community programs and leadership, celebrates Jaycee Week January 11 through until the 18th.

The Mississauga group has in the past co-ordinated programs for the Centennial Parade, Senior Citizens' night and a Magic Christmas Show.

At the present time, the Jaycees are working on a 14-page report in the form of a survey in which 1,000 Mississauga residents will give their opinions on transit systems, recreational facilities and other important topics of concern.

"A similar project has been completed in Brampton" said John Burgess, External V.P. for the Mississauga Jaycees. "It went over very favourably and received a great deal of publicity. Our intentions regarding this survey in Mississauga, are to take the final results and make suggestions to council."

"We number about 25 men", said Mr. Burgess. "As we increase in number, we shall be able to handle many more projects."

Persons interested in joining should call the chairman, Bob Smith, at 274-2242.

Skating for fitness

A wonderful form of exercise for improving fitness is ice skating or swimming, which gives your cardio respiratory system a work-out as well as many muscles that you may not have been using to any extent lately.

Many articles have been written quoting doctors as saying that exercise is a deterrent to the aging process.

The Recreation and Parks Department are offering daytime skating instruction classes - Monday afternoons and Friday mornings - at Huron Park Arena and on Wednesday mornings at Malton Recreation Centre. Babysitting is

available during these times and classes for pre-schoolers follow the adult skating period.

Tuesday nights at Huron Park Recreation Centre from 7.45 to 8.45 p.m., is an evening class for business people or for adults

who cannot get out during the day.

For further information phone 279-7600, ext. 281.

Calling all young dancers

The Mississauga Recreation and Parks Department are accepting registrations now for the new sessions of Tap, Ballet, Modern Jazz, Acrobatics and Scottish Highland Dancing. Classes are being held at Huron Park Recreation Centre, Allan A. Martin, Forest Glen, Westwood Public School, Sheridan Park, Park Royal, Queenston Drive, Havenwood, Hillside and Applewood Heights after school or on Saturdays. The course runs for 14 weeks and costs \$10.00 per child, but if there are 3 children in one family participating in the same activity, the third child pays only one half price.

Plans were discussed and made for a Rummage Sale to be held in the Masonic Hall on Saturday, February 8 at 10 a.m., and anyone wishing to have rummage picked up may contact Mrs. Viola

Rummage Sale Planned

The December meeting of Peel Chapter #96 Order of the Eastern Star was held at the Masonic Hall in Streetsville with the Worthy Matron Mrs. Emmie H. Barker and Worthy Patron Raymond C. Tomkins in their chairs.

Plans were discussed and made for a Rummage Sale to be held in the Masonic Hall on Saturday, February 8 at 10 a.m., and anyone wishing to have rummage picked up may contact Mrs. Viola

they are taught rhythm, mime and creative movement.

Please phone the recreation and Parks Department at 279-7600, ext. 281 for further information.

In Court

Whatever happened to the Spanish Guitar? The one person who might have a clue to the mystery is Lawrence Ermatinger, 17, charged with the theft of the self-same guitar. And he doesn't remember what he did with it, although he admits stealing it. Ermatinger was driving along the Dundas Highway when he picked up a 15-year old hitchhiker with a guitar. After some driving around the hitchhiker somehow disembarked, or was made to disembark, minus his guitar, which was valued at \$12. On hearing that Ermatinger has no fixed abode, but has a criminal record, the court ordered a pre-sentence report before giving judgment. His abode, in the interim, is the Peel County jail.

All too often boys play willingly for a sports team but have no idea who made the team possible. Burt Johnston, manager of Streetsville IGA Food Store is one sponsor, however, who likes to keep in touch with his team. He attends their games and knows many of the boys personally. Here is Burt with the captain and two alternates of the PeeWee Hockey team which he sponsors in the Tri-County League. Left to right - Wayne Bond, Dan Crawford, Mr. Johnston and Dennis Chadala. These players have shown capable leadership but the whole team has put up a good showing even against some of the best triple A clubs. AL BETTS Photo

Hutt Fence Ltd. and its president, Jim Douglas, have a reputation for being one of Streetsville's strongest supporters of boys' athletics. Four key members of the Hutt Fence Bantams, Streetsville's entry in the Tri-County League are seen here. Left to right - Doug Cove, David Rollings, Coach Wes Robinson and Shawn O'Connor. MORE THAN A BAD TRIP-OR-ROUGH MENTAL EXERCISE

We have really grown up about mental illness. No longer are people with serious mental disorders locked up in cages like untamed animals, their very existence denied or ignored by those who are "normal".

But that period was overcome a hundred years ago, wasn't it? Or are there citizens even today who lock up friends, acquaintances, relatives with mental problems in the forgotten and decaying cellars of their minds? Who inwardly reject those who have had nervous breakdowns as potential friends?

The Canadian Mental Health Association (CMHA) seeks to help the mentally handicapped recover what they may have lost as a result of serious illness or accident or acquire abilities they were not born with in order that they may live and work comfortably and happily in a normal social environment among normal people.

The South Peel Branch of CMHA depends to a

great extent on the facilities and medical personnel in Metro Toronto for assistance in treating the mentally ill. But it does have the facilities and volunteer and Professional staff of its own to provide a service Peel County residents can get nowhere else, the means by which a person who has suffered from mental illness can adjust to the demands and requirements of society before he steps out into the world entirely on his own.

More patients are being discharged from our hospitals each day. These people enter nursing homes or what the CMHA calls homes for special care, others the community outside as independent members each day. All need friendship and help in social and work adjustment.

Mental illness is such an intangible and difficult thing to understand for those who have not come in contact with it that word of mouth (dare we call it gossip) has created misconcep-

tions about it. True, some sufferers never completely recover and require constant care and surveillance for the rest of their lives. But the actual percentage of "incurables" can be counted on one hand. The work of the Canadian Mental Health Association may be classified into an RSVP formula - research, social action, volunteer services and public education.

Volunteer workers provide the backbone of the local association's force, the South Peel branch of CMHA opened a new vocational centre above its Port Credit offices this year. The centre's raison d'être is to train former mental patients to the point where they will "feel comfortable and at ease when they go to live and work in the outside world", according to its Director, Harry Carr.

Mr. Carr came to the centre from industry. His assistant, Mrs. Pat Nagey, was formerly with the Lakeshore Psychiatric Unit, in Etobicoke. Mr. Carr guides the trainees through simple assembly jobs on contract from local industries while Mrs. Nagey provides the necessary medical and social services.

The trainees, all adults receive an hourly wage graduated according to the complexity of the

job and the person's productive abilities. They are not taught specific skills at the centre, although some trainees do reach a semi-skilled level, but rather they become accustomed to taking more personal responsibility, improving their work habits and attitudes along the way.

Average stay for the trainees is seven months. At the end of their training period, on the recommendation of a placement committee, each trainee is located in an outside job where he can support himself.

Adjusting to the new world of working and living independently, even after the training period, is a most difficult thing. Bridging the gap is the White Cross Social Club where persons with similar problems can get together socially in a relaxed friendly atmosphere leading to a return to social skills and self confidence.

South Peel Branch president, Mrs. Isabelle Johnston said "We have had excellent help from local groups and industries who provide meeting places, entertainment, food and so on to make these events possible."

Mrs. Johnston and executive secretary, Mrs. Ev. Irwin, both expressed considerable concern over development of more homes

for special care in Peel County. "No matter what things are like in a new job and social environment after the patient is released from hospital," Mrs. Irwin stresses, "he or she must have a happy home

life in order to cope with each new situation. The only answer is more homes for special care." At present, nursing homes and boarding houses provide the major share of this service. But these

are not enough to fill the growing need. More homes are required immediately, particularly in the southern part of the country where whole new small communities are developing so quickly.

Public education is probably one of the biggest and most time-consuming endeavours undertaken by the CMHA South Peel Branch.

Mrs. Irwin co-ordinates most of the public education work from the Lakeshore Road East offices.

Mr. Carr shows South Peel Mental Health Association president, Mrs. Isabelle Johnston the techniques used by workshop trainees in packaging forms.

Workshop director, Harry Carr and assistant director Mrs. Pat Nagey, inspect the work of one trainee on assembling and packaging rings.

The Pontiac Challenge:

Find a car to match Pontiac, feature for feature, deal for deal!

Parisienne Sport Coupe

You won't find another car in Pontiac's class that offers more luxury. Concealed windshield wipers, upper level ventilation full-glass side windows and beautiful interiors

You won't find a lower priced two-door hardtop in Pontiac's class than the Strato Chief Sport Coupe. You save more than \$200 over Pontiac's lowest priced hardtop last year

You won't find another car in Pontiac's class with more standard power! The standard 350-cu.-in., 250-hp V8 is biggest in its class. Standard six is 250 cu.-in., has 155 hp!

You won't find another car with a wider front track than Pontiac! More car between the wheels provides better handling and control, greater stability!

You won't find another car in Pontiac's class that matches Pontiac's protection features! Like the Endura bumpable bumper up front, side-guard beams in the doors.

You won't find a better deal than you'll get on a Wide-Track Pontiac! Pontiac's high resale value record means a better price at trade-in time.

STREETSVILLE ATHLETE OF THE WEEK

- DAVID ROLLINGS

Every hockey fan who has seen the Hutt Fence team play this winter is agreed on one point. That is, there is one player on that team that stands out above them all. Dave Rollings not only catches your attention but he usually holds it all the time he is on the ice. His scintillating end-to-end rushes are something you don't forget when you go home. But his exciting style isn't his only asset. He is his team's leading scorer, has been chosen most valuable player more than any of his team-mates and is a tireless back-checker as well. Dividing his time between centre and defense he sees a lot of action every game and is still going strong when the game ends. With about two more Rollings-types, coach Wes Robinson figures nobody could stop his team.

Two years ago rival coaches complained that he was making a shambles out of the house-league. Last year he moved up to the Mississauga Hockey League and parents of opposing teams complained he was ruining their league. This year he stepped up to OMHA hockey and still stands out as the best in his class.

Dave is fourteen years old and is in grade 9 at Streetsville High School.

TRI-COUNTY HOCKEY

Streetsville is jumping the gun on the rest of Ontario by scheduling Minor Hockey Week one week ahead of everybody else. The biggest celebration will be the Tri-County teams gala night this Saturday. If you haven't seen these teams play you can see them play this Saturday. In fact if you're real hardy you could stay and watch all five of them for one ticket. Add to that the Paperweight All-Stars who play against Georgetown at 5 p.m. and you can see quite a bit of hockey all in one evening.

The Novices, the IGA PeeWees and the Hutt Fence Bantams play their Hespeler counterparts starting at 6, 7 and 8 p.m. respectively. Then the Juvenile Derbys and Maple Lodge Midgets take on Bolton in exhibition games at 9 and 10 p.m.

JUNIOR 'C' DERBYS

The Derbys played a home-and-home series with the second-place Newmarket Redmen and lost both games.

In the home loss the Derbys played hard and held the high-scoring Redmen scoreless for the first period. In the second Newmarket outscored the Derbys 3-1. Derbys' goal was by Bill Perks, assisted by John Wylie. The Derbys held Newmarket to a single goal in the third but couldn't score any themselves and skated off the ice on the short end of a 4-1 score but knowing that they had given one of the best teams in the league an honest battle.

The return game at Newmarket is better deleted from the books. Reminding the boys of the 8-0 loss is no favour but a few encouraging points did come out of the game. Jim Workman is getting back into form after the long layoff with a broken leg. It was good to see him back in the line-up along with Bruce Kalapaca who has had a two-week layoff. John Wylie continues to play well and the juveniles Edgar Virus and John Crawford used in the two games, each turned in solid performances.

The Derbys are at Georgetown next Sunday afternoon and are at home to Richmond Hill next Tuesday at Streetsville arena.

STREETSVILLE-MEADOWVALE HOCKEY LEAGUE

Larry Ferguson was the big gun last week as he fired no less than four goals while nobody else was scoring more than two goals. The goal-tenders were in form, however, and five earned shutouts.

PAPERWEIGHT

Elder Packers took Streetsville Pharmacy 3-2 on goals by Mark Mullally, Geoff Blackwell and Robert Humphries with an assist by Paul Adamswalth. Gary MacRae had a goal and assist for the losers. Ian Hunter also scored and Mike Kalapaca had one assist.

Streetsville Flyers hung a 5-1 win on Moore Electric. Mike Kirby scored Moore's goal with assistance from Richard Baker and George Araujo. Brian McLaughlin led the winners with two goals and an assist. Philip Prestidge, John Berthiaume and Bruce Beckett also scored and Greg Osbourne assisted.

NOVICE

David Chadala continued to lead his league in scoring. Last week he scored twice himself and assisted Jim Zardo's goal to lead Reid Milling to a 3-2 win over Lions Club who got goals from Steve Wicklum and Jim Markel.

Three shutouts were registered in the Novice league and two of them came in the Dominion Sash-Canadian Tire game where Robert Ferguson and Paul Gray traded shutouts 0-0.

Jim Coates had his third shutout as Canada Brick beat Kerr Flooring 4-0. Goals were by Doug Payne, Kent Tasker, John Leliever and Bob Freeman.

PEEWEE

Goalie Mark Odd of Atkinson Insurance shut out Kinsmen Club 1-0 on Dan Harris' goal, assisted by Guy Killaby and Wayne Flood.

Ron Gillis, Pete Lockwood and Karl Lechler scored the goals that gave Maple Lodge Farms and goalie Bill Stanley a 3-0 shutout over Consumers Gas. Robert Oatt (2), Peter Page and Paul O'Connor assisted.

Mike Thomson and John Halliday scored twice each to lead Kiwanis to a 4-2 win over Hoy's Cafe. Halliday, Roger Jacklin and Jeff Pritchard drew assists. Edgar Williams scored first for the losers assisted by Mike Robinson and Jeff Roberts, then Dave Harris scored from Paul Kelly.

BANTAM

Canadian Legion were finally knocked off their unbeaten perch. Mike Goheen set up Dennis Haydens' goal then scored the winner himself for Rotary in their 2-1 win. John Knibbe also drew an assist. Bill Merkley from Kim Flowers scored for Legion.

Pemrow Ptoe Lines tied 2-2 with Robinson's Pharmacy. Tom Phillips scored both Pemrow's goals with assists to Rick Seger, Don Anderson and Rodger Bragg.

Don Hartley scored one and assisted Bob McDonnell's goal for Robinson's.

Larry Ferguson's big outburst led Long's Service Centre to a 5-1 win. Doug Davison scored the fifth goal while assists in the game were awarded to Terry Cormier (2), Bob Smith (2) Andy Miller and Brian MacRae. The only goal for the losing Canada Brick Truckers was scored on a penalty shot by Keith Flood.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga has received a valid petition for the works described below and intends to construct a local improvement the following roads. Part of the cost will be assessed against the land abutting directly on the work and part of the cost will be assessed to the Corporation of the Town of Mississauga. The roads to be constructed are as follows:

- A 30 foot wide road on Aimco Blvd. from Dixie Road to 450 feet west of General Road, a distance of 2,250 feet at an estimated cost of \$72,000.00.
- A 30 foot wide road on Bradco Blvd. from Aimco Blvd. to Matheson Blvd., a distance of 2,100 feet at an estimated cost of \$67,000.00.
- A 30 foot wide road on General Road from Aimco Blvd. to Matheson Blvd., a distance of 2,050 feet, at an estimated cost of \$65,500.00.
- A 30 foot wide road on Matheson Blvd. from Dixie Road to 450 feet west of General Road, a distance of 2,250 feet at an estimated cost of \$72,000.00.
- A 30 foot wide road on Ambler Drive from Matheson Blvd. to 480 feet north of Matheson Blvd., a distance of 480 feet at an estimated cost of \$15,500.00.

2. The property to be specially assessed is all property abutting the roads described in paragraphs (a), (b), (c), (d), and (e).

3. The estimated total cost of the work is \$292,000.00 of which the Corporation's share is \$7,750.00. The owners cost of the road is \$167,950.00. The estimated cost per foot frontage is \$11.12; the owners special annual rate per foot frontage is 1.583%. The Developer's cash contribution is \$44,300.00 and \$72,000.00 is to be paid in cash from the Development Fund. The special assessment is to be paid in ten (10) annual instalments. The estimated lifetime of the work is eleven (11) years. The total annual Corporation's share of \$1,103.43 represents .01 mills. If you are a resident in the Town of Mississauga and are presently assessed at \$5,000.00 you would pay .05¢ towards the cost of this project per annum for a period of Ten (10) years.

4. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may, within twenty-one (21) days after the first publication of this notice, file with the Clerk his objection to the work being undertaken.

5. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 9th day of January, 1969.

this key position.

"As one of the founding members of the Council, Professor Adamson has made an invaluable contribution to the success of the Council for the Arts in its critical first five years", Mr. Roberts said. "He has enjoyed the full affection and respect of Mr. Mackay and his fellow Council members."

"This appointment is a highlight of a long, energetic career of service by Professor Adamson to both the community at large and the arts in general and I am confident that he will carry forward the work of the Council with insight and vigour."

"Professor Adamson is a man of broad, humane interests and experience. I know the encouragement of the arts in Ontario will continue in good hands". Mr. Mackay expressed congratulations to Professor Adamson on the appointment.

"I couldn't be more pleased that Tony Adamson will carry on the vital work of the Council," he said. "I have relied heavily on his counsel and support in the building of the Arts Council."

Professor Adamson said he was honoured by the appointment. "My work with the Council for the Arts has been one of the most rewarding experiences of my life," he said. "I have admired and been inspired by the leadership of Mr. Mackay."

"The work of the Council in the next few years should be equally challenging as we continue our quest to make the benefits of an enriched quality of life accessible to all Ontarians," Professor Adamson resides in Port Credit. He was one of the designers of Upper Canada Village at Morrisburg and is also co-author of the book *The Ancestral Roof*.

A graduate in Architecture from Cambridge University, England, he is a Fellow of the Royal Architecture Institute of Canada. Professor Adamson was named United Nations Fellow for the study of Town Planning and Municipal Government in Europe in 1952. He is an Associate Professor of Town Planning at the School of Architecture, University of Toronto.

Professor Adamson has served as President of the Ontario Welfare Council and was Vice President of the National Theatre School. He is a member of the School's Board of Directors. He is a past president of the Peel County Children's Aid Society, and is a member of the Executive of the Architectural Conservancy of Ontario. He is a recipient of the Coronation Medal.

Association Urges "Regionalism" For Hydro

In a move which could drastically reduce the number of municipal electric utilities throughout Ontario, the Ontario Municipal Electric Association has urged the provincial government to incorporate the hydro electric commissions into its proposed regional government scheme.

At a special meeting with Municipal Affairs Minister Darcy McKeough recently, O.M.E.A. president Mr. J. R. Phillips of Brockville, put forward the reasoning behind the Association's request. "It would be in the best interests of the users of electrical energy in the province of Ontario that the total retail sales of electric energy in each of the proposed regions be under the jurisdiction of a hydro electric commission elected by the residents of the region," said Mr. Phillips. "And within the regions, the function of the Hydro Electric Power Commission of Ontario should be primarily reserved for the generation of electricity and its delivery to regional commissions."

The board of directors of the Ontario Municipal Electric Association have approved of the policy and the membership of the 355 municipal electric utilities throughout the province. The Ontario Municipal Electric Association's president recommended that within the proposed regions, Ontario Hydro retire from retail electrical distribution. He said it would mean that some half million rural customers would have a voice in the control of their electrical utility for the first time. It would also serve to develop greater standardization of rates, service, construction and accounting throughout the province.

Health is Wealth

One of the most significant facts being brought to everyone's attention these days is the need for exercise. Yet, how many people really understand the true necessity for using their body.

With the comfort of a warm home, a nice comfortable easy chair, the television and perhaps a bottle of beer for company, who wants to get out in the inclement weather and participate in some other activity.

Yes, it is hard to drag oneself away from these niceties of life, but we must. To keep mobile and free from obesity, high blood pressure, heart attacks and even just sluggishness, we must do something in order to keep our bodies in reasonable condition. The Huron Park Health Centre has been trying to help people to keep themselves in shape.

Why not you? Whether you like it or not, the body needs regular exercise and the only way to ensure this is to acquire a new living habit. Stop just a minute and mull this over.

Four Corners Club begins busy season

Members and guests of the Four Corners Square Dance Club ushered the New Year in with a bang-up celebration on New Year's Eve at the Port Credit Lions Club. Besides dancing, there were balloons, whistles, horns, noisemakers, streamers and of course - food. A delicious buffet luncheon was enjoyed by all. At the stroke of midnight everyone joined hands and sang Auld Lang Syne. Then bedlam broke loose as balloons broke, horns blew, people shouted with joy, noisemakers clanked and people generally made merry. It was a wonderful way to start the busy schedule for a successful 1969 with the Four Corners Club.

On Monday, January 6 a committee meeting was held at the home of Jim and Jeanne Reid. The winter calendar of events was discussed. Such important events as the "Scottish Night" on January 25 (Wear Square Dance Club - something Scottish - a kilt, pin, scarf, etc.), the Mardi Gras on February 22, the Friendship and Teen Dance on March 22 and the Spring Dance on April 19 must not be missed. The committee hopes to obtain an orchestra for the Spring Dance. The Thursday night dances started at Riverside School on January 16 and run every Thursday night for six weeks. The committee hopes to get additional members, as a few couples have been leaving in May. Several couples have been approached and it is hoped word of their acceptance will soon be received. The next business meeting will be held on February 5 at the home of Carol and Alex Woods, Mississauga. The meeting adjourned and a delightful lunch was enjoyed by those present.

A regular dance at T. L. Kennedy High School on Saturday, January 11 was lots of fun. The guest callers were Cec and Irene Gordon and Fred Giles. Four new memberships were taken out and so the 1969 season has begun and everyone is having fun.

Sheridan Students Undertake Practical Tasks

Members of Sheridan College's social services course provided a one-day task force on Tuesday, December 10 on a unique learning and fact-finding visit to four towns, two villages and four townships.

Their visits were to welfare and municipal officials in Mississauga, Brampton, Port Credit and Streetsville; Bolton and Caledon East; and the townships of Albion, Caledon, Chinguacousy and

Toronto Gore. Purpose of the visit? To help the Peel County Social Planning Council complete its Inventory of Public Services. It's a new publication from the council that tabulates and categorizes

every type of service available in the county. It breaks these down to list areas served, sponsoring governments or organizations, extent and rating of the service.

Mrs. Dorothy Ross, chairman of the inventory committee, has organized the visits. She is well-known in Brampton and Peel for her work with the Family and Children's Aid, and the United Appeal.

She appeared at the College Monday, December 9 to outline the questionnaire to students before they left on their field trips the next day.

The expeditions were expected to provide a rich learning experience for the students, as well as achieve help for the Social Planning Council.

Visits were being made with full co-operation from mayors, reeves and civic officials of the various areas.

At the "Hole in the Wall" dance which is regularly held at Applewood United Church, Don Houston of Mississauga does "his thing" while the crowd watches.

CANADIAN MOTTO: "A MATTER OF PERSONAL TASTE"

There's no such thing as a national taste for food in Canada, according to a recent poll reported in Marketing. "Canada is a whole lot of smaller markets", the report states, "each one with its own peculiarities in different food product categories."

The Marketing report lists these differences in taste from region to region in Canada:

- In B.C. and the West, one brand of coffee (Nabob) has always dominated; everywhere else across the country, its another well-known brand (Maxwell House). Neither brand has been able to make inroads into the other's territory despite expensive attempts on both sides.

Easterners consume far more instant coffee than Westerners, and when they drink ground coffee they prefer a milder brew. Westerners are more like Americans - they go mostly for ground coffee, good and strong. - Quebecers consume about 8 times as much molasses as the rest of the country. They also

constitute the largest per-capita soft drink market in the world, including spruce beer, a popular summer thirst-quencher.

- Maritimers like more carbonation than other Canadians in their soft drinks, though it's said to kill the fruit flavor. It seems one regional bottler dominated the Atlantic market for so long that his high-fizz product became the criterion on the east coast.

- Though coffee's strong in B.C., the tea connoisseurs are in the Magitimes, where tea sales are not only proportionately far greater than in the rest of the

country, but they tend to be concentrated among the better-quality brands.

- Ontarians like thick pectin-added jam; Quebecers like theirs runny. Quebecers buy two olives to Ontarians one, and they must be unpitted, not stuffed. On the other hand, English-speaking Canadians buy four times as many pickles as their French-speaking cousins. Quebecers buy more expensive cuts of meat (like hind quarters) than Ontarians.

- Canned quickie meals - chile con carne, weiners and beans, even canned salmon - go nowhere in Quebec.

A REASON FOR READING

IN THE CITIES of Western Canada the people are friendly, the air is refreshing and there is a general air of optimism. It would not be difficult to compile a long list of virtues, which would include the width of the streets.

Regina has taken advantage of wide sidewalks to install comfortable benches in the downtown area, on which the merchants may, for a fee, shout their wares in short advertising messages. Most interesting is one sponsored by a bookstore.

"Reading," it says, "is fashionable."

COUNCILLOR KEHOE ADDRESS RATEPAYERS

Mr. George Powell, President of the West Erindale Homeowners Association has announced that the general meeting of the Association will convene at 7.45 p.m. on Tuesday, January 21 in Room 215 at Erindale Secondary School.

Mr. Powell emphasized that the meeting is open to all owners, whether presently members of the Association or not. For the benefit of new residents, he explained that the Association represents owner-residents in an area bounded on the South by the Q.E.W., on the West by Winston Churchill Blvd., on the North by the Hydro Power Line just north of Burnham-

thorpe Road, and on the East by the Credit River as far south as Dundas, and by Southdown Road from Dundas Street to the Q.E.W.

Two guest speakers will address the meeting - Mississauga Councillor Jack Kehoe will describe Council activities during 1968, and its plans for 1969.

A representative of the Clarkson Cable T.V. system will review the present status of cable television service in the area, and the Company's plans for improving and expanding the system. Both speakers have agreed to answer any questions that homeowners may wish to put to them.

Following the question and answer period, the most important of several items of business will be the election of officers to direct the Association during the next twelve months.

The Nomination Committee hopes to present a full slate, but nominations from the floor will be most welcome.

Mr. Powell predicts that the Association is likely to face important challenges during 1969. To face this challenge successfully, the As-

sociation requires not only willing and able officers, but also the support of all homeowners in the area. DON'T FORGET - Tuesday, January 21, 7.45 p.m. - Erindale Secondary School.

SECRETARIES WELCOME MEMBERS

The Toronto West Branch of the Association of Administrative Assistants or Private Secretaries will hold their first meeting of the new year on Wednesday, January 15, at the Valhalla Inn, Etobicoke at 8 o'clock. Guest speaker will be Mrs. M. Redmond, Court and Social Worker with the Canadian Indian Centre of Toronto. She will speak on "The Indian in the City". An invitation is extended to all secretaries.

During 1968 the Branch's activities included: several interesting speakers on a variety of subjects; a Wine and Cheese Party; participation in a 10-week course on "Effective Supervision"; Tri-Branch dinner; Fashion Show; IBM Workshop; Seminar at Hart House; visit to the Planetarium; and the presentation of a \$100 scholarship to a student of Ryerson Polytechnical Institute.

The Association offers through the University of Toronto, Division of Extension, a six-subject correspondence course with examinations set by the University. The subjects are carefully selected and include English, Psychology, Economics and Accounting. On successful completion a member receives a Graduation Certificate, the designation Q.A.A. (Qualified Administrative Assistant) and a Graduation Pin.

The West Branch of the Association has members in Port Credit, Mississauga, Malton, Islington, Etobicoke, Toronto and Scarborough. For further information regarding this Association contact Miss Eileen Barraclough, Box 191, Islington.

C.W.L. Peel Region Day of Recollection

Father Drake Will of St. Christopher's Parish in Clarkson will be the speaker at a day of Recollection held at the Church on Sunday, February 9.

A Day of Recollection is a period of time when people get together for a "Growth - Event" in their lives, to get their teeth into it, the purpose and hopefully the

result would be growth as a person, as a Christian and as a Catholic.

Father Drake was born and raised in Toronto. His academic background includes a B.A. from Toronto in 1960, S.T.L. (graduate in Theology) from Laval University, and M.A. from Toronto in 1968. He has been a curate in Collingwood, Penetang and Brampton. He also spent a year at St. Augustine's Seminary in charge of music. He has been at St. Christopher's parish since June of 1968 and is already leaving his mark on the people as a modern-day priest who communicates and reaches the people at various levels.

The Day of Recollection is sponsored by the Peel Region Catholic Women's League. It starts at 1.30 and Mass will follow the meeting about 3.30 p.m.

All ladies are welcome.

In crowded, difficult driving conditions, courtesy can be the lubricant that prevents nervous and emotional friction from becoming intolerable, advises the Ontario Safety League.

Greasy lint is bound to collect behind a refrigerator or electric stove. A spark from the refrigerator motor, or heat from the stove, could set it on fire. Move heavy appliances away from the wall regularly to clean out this fire hazard.

Square Dance News

by Mollie Elliot

When stormy winds blow and we're deep in overshoes and snow shovels, it's nice to picture sunny skies on the other side of the globe, or islands where it's always summer! Many lucky square dancers are taking trips to far-away places where they will do all the usual tourist things, with the additional pleasure of sharing modern square dancing with Hawaiians, Japanese, Australians and many others. The Hamiltons of California plan a tour of the Orient; D. Taylor takes a party to the Bahamas; E. Johnston tours the Caribbean; there are trips to Europe and South America and so on. Last year, several dancers from this area went to Hawaii with Earle Park - among them the Dobbie's who dance with Burlington's Skyway Squares and the Dowson's of Oshawa. Glen and Carolyn Dowson say the Hawaiian dancers make visitors welcome with overwhelming hospitality, insist on picking them up and taking them to their dances, and really treat them royally!

Many local dancers travelled to Florida over the Christmas holidays, spending days in the sun, evening dancing with the famous Florida square dance clubs: Stu and Wynne Robertson and Bert and Ruth Oakes, of Burlington; Al and June Filkin of Port Credit; Ken and Joyce Johnston of Scarborough, Bruce and Jean Thompson of Brampton and others. Toronto and District Square Dance Association holds its monthly workshop at Agincourt on Saturday, January 11. A Freshman Frolic will be held same place, same evening for all beginner dancers learning modern square dancing, anywhere in travelling distance.

Lift Lock Squares of Peterborough are planning a Benefit Dance (with split-level dancing), January 11 for the family of Lorne Chaptis, a club member who died tragically last month, while on duty with O.P.P.

Most clubs are starting their new year on their regular night this week. Earle Park, Canada's top professional Square Dance Caller, will be in Ontario during January and few dancers will pass up the opportunity to dance to Earle's smooth calling one or more times. Many of the programs, like East Promenade, January 18, are for experienced or intermediate dancers, but at least one night is especially for beginner dancers - January 17 at Port Credit.
